Harness the Power

An **Infographic** is a visual representation of complex information that relies mainly on graphics to tell the story.

A **BuzzGraphic** uses intensive research to gather facts about the latest, most important, most searched for news story in your industry and places your company in the thick of it all.

The Power of the BuzzGraphic

- ★ Incorporates Newsjacking, the practice of using a hot industry news item, to draw attention to your company’s online presence.
- ★ Connects your company to the news that people are searching for online.
- ★ Visibility on social media guaranteed with paid advertising campaign (included in BuzzGraphic Package).
- ★ High potential for sharing via social media and on industry related websites.
- ★ Placement of BuzzGraphic on your website commands attention from visitors to your site.
- ★ Our Top Quality Product – the Ultimate in REAL SEO.
